

# **DAYTON INTERNATIONAL PEACE MUSEUM**

## **Vision, Mission, and Goals**

**Vision:** To inspire a culture of peace

**Mission:** To contribute to a local, national, and international culture of peace through exhibits, activities, and events that focus on nonviolent choices.

### **Goals:**

- Foster a culture of peace locally and around the world
- Illuminate the rich history of nonviolent peacemakers and peacemaking
- Provide a place of inspiration and encourage all nonviolent ways to peace
- Become a thriving center for peaceful and nonviolent activities
- Work toward the prevention of wars, marginalization, and other acts of violence
- Promote human rights, interdependence, and reconciliation
- Reduce fear and polarization by encouraging tolerance and respect
- Strive for and celebrate diversity as a means of promoting peace
- Host lectures and roundtables on current events and issues

- **Communicate information about disarmament and other peace issues**
- **Offer curricula and teach children about peace and nonviolence**
- **Encourage nonviolent public service as a way to effect peace**
- **Maintain a dynamic website with multiple resources for peace**
- **Serve as a clearinghouse for information on peace organizations and events**
- **Serve as a peace resource for local and international media and educators**
- **Sponsor awards, scholarships, essays, artwork, and performances for peace**
- **House a peace institute for researchers and writers, worldwide**
- **Create and foster links with the international peace community**
